

# ***Tapioca Slicer Machine***

Specification	Details
Purpose	Designed to slice tapioca (cassava) into uniform pieces efficiently
Cutting Capacity	High-capacity machine suitable for commercial and industrial use
Blade Material	Sharp, corrosion-resistant stainless steel blades
Construction Material	Durable stainless steel body for hygiene and long-lasting performance
Motor Power	Powerful motor for fast and consistent slicing
Ease of Operation	Simple controls for efficient and safe usage
Safety Features	Protective cover and safety switches to prevent accidents
Cleaning & Maintenance	Easy-to-clean design for hygienic operations
